## Want to get the most out of the passage?

Don't just read. Contemplate the truths and interact with them. Linger over verses that impact you. Ask God questions and "listen" for His answers. Then, apply as He directs. Here are a few questions you can use:

- Is there a truth that should change what I believe or how I think about God?
- Is there a reason to praise God or thank Him for something specific?
- Is there something in this passage I pray for myself or for someone else?
- Does this passage bring to mind a sin I need to confess?
