The following suggestions will help you get the most out of this Bible reading plan.

- 1. This plan was developed to help the reader deepen his or her understanding of Christian doctrine. Simply put, "doctrine" is what God teaches us through the Bible. The year-long reading plan will work systematically through topics vital to our faith, such as:
 - a. Theology the doctrine or study of God
 - b. God's Word
 - c. Anthropology the study of the nature man
 - d. Christology the study of the nature of Christ
 - e. Soteriology the study of salvation
 - f. Pneumatology the study of the Holy Spirit
 - g. Ecclesiology the study of the Church
 - h. Eschatology the study of end times
- 2. Use this plan daily in conjunction with prayer, journaling, and meditation on the Scripture passage.
- 3. This plan gives five days of reading per week. Here are a few ideas for Saturday and Sunday.
 - a. Use these two days to catch up if you've gotten behind.
 - b. Reread any passages that particularly stood out to you during the week.
 - c. Work on memorizing one or more verses from that week's readings.
 - d. Use these two days to read through the Psalms and Proverbs.
- 4. **Don't merely read the passage.** Meditate on it and interact with it. Meditation is not emptying your mind. It is deep thinking on spiritual truths. As you read, linger over verses that impact you. Ask God questions and "listen" for His answers. Allow God to apply their truths to your life. Below are examples of questions you can use to interact with the Scriptures you read.
 - a. Does this passage present some truth that should change what you believe or the way you think about God?
 - b. Does this passage prompt you to praise God, thank God for something specific, or truth God in a situation?
 - c. Is there something in this passage you should pray for yourself or for someone else?
 - d. Does this passage bring to mind a sin you need to confess?
- e. Is God using this passage to move you to a particular act of obedience or to make a decision?
