

# Discipleship Self-evaluation

When you became a Christian you made a decision to follow Jesus, to be His disciple. So how are you doing? Use the checklist below to evaluate the quality of your "follow-ship." Rate each statement on a scale of 1 to 5. One means you are very weak in this area and five means you feel you are extremely strong. After reading each statement and rating yourself, set some goals for improvement. Refer to this paper throughout the year as needed, then check your "follow-ship" again at the end of the year.
