**Okay, here we go. Some answers and explanation!**

1. The Bible does not say anything about a donkey. [Luke 2:4](#) simply tells us that Joseph and Mary went from Nazareth to Galilee. Many biblical scholars do think that because of their economic status they probably both walked.
2. The Bible does not record any words spoken by the innkeeper. In fact, Luke does not even mention an innkeeper, merely an inn and the fact that there was no room. [Luke 2:7](#). To get really specific, there is also no mention of a stable.
3. A manger is a feeding trough for animals.
4. Read [Luke 2:1-20](#). There is no mention of animals of any kind around Jesus after His birth.
5. The star is only mentioned in conjunction with the Magi. They told Herod they had seen the star. See [Matthew 2:2](#).
6. The sign the angels told the shepherds to look for was a baby lying in a manger. [Lk 2:12](#).
7. "Glory to God in the highest, and on earth peace to men on whom his favor rests" [Lk 2:14](#).
8. Baby Jesus was fully human. He cried when He was hungry, wet, or in pain.
9. The Bible does not tell us how many Magi visited Jesus. The tradition of "3" probably developed because they presented 3 kinds of gifts. According to scholars the Magi's journey probably lasted up to two years with an entourage of dozens or more people.
10. Sorry to wreck your nativity scenes but the Magi were not present the night Jesus was born. Scriptural evidence shows Jesus could have been as old as two by the time they arrived. Jesus, Mary, and Joseph were staying in a house. See [Matthew 2:11](#).
