Kathy Howard is one of my favorite Bible teachers. She is solid, clear, and the real thing. I would recommend her to anyone anywhere anytime!

Jennifer Kennedy Dean, Author and founder of The Praying Life Foundation

Kathy is a pro. Her skill as a speaker coupled with her "heart after God" is an unbeatable combination. Everything Kathy teaches she has learned in the trenches of ministry.

Connie Cavanaugh, International speaker, writer, and author of *From Faking it to Finding Grace*

Kathy Howard knows how to bring God's Word to life as she teaches, because this girl doesn't just love God's Word, she lives it. Authentic, refreshingly real, and a solid Bible teacher.

Laurie Cole, Christian author and speaker, founder and president of Priority Ministries

A few years ago when I became a Christian I still had many unanswered questions. Reluctant and apprehensive, I joined a Bible study for seekers and new Christians taught by Kathy Howard. After just one class, I didn't want to miss a week. Kathy was able to explain the Bible in a way I could understand. Nothing was off limits. Any questions I had were answered clearly in a down-home manner, combining a good dose of love with an unthinkable understanding of Scripture!

I have been blessed to have Kathy as my friend, mentor and teacher. She has a passion for God's Word and longs for others to know Him real and personally. She allows God's impact on her own life to bless others, especially through her passion to teach God's truths.

Women's Ministry Leaders

We got so much positive feedback after Kathy spoke at our annual Ladies' Retreat! She brought God's Word in beautiful illustrations as well as intense and lively teaching. The ladies were blessed by Kathy's delivery, and each received a "diamond" as a reminder of her message. We will definitely invite Kathy back in the future.

Jeanne Curtis, Women's Ministry Director, First Baptist Church, Wainwright, OK

Kathy Howard was our keynote speaker at our recent one-day conference. Kathy was an inspiration. She not only encouraged us to become strong in our walk with Christ, but she also challenged us to really study God's Word on a daily basis. Pleasant and easy to work with, Kathy was willing to pitch in and help with whatever needed to be done. In addition to being our keynote speaker, Kathy also led a workshop on spiritual growth. Our ladies were doubly blessed with her time, wisdom, and skilled teaching. I look forward to having Kathy again in the near future.

Beverly Dillow, Women's Ministry Director, Kelview Heights Baptist Church, Midland, TX

Kathy Howard is a strong woman of God. Her passion and devotion to teach The Word of God is motivating. I have used her website as a resource to better equip my women's leadership team as well as her Bible studies to help grow them in the knowledge of God.

Living Water Christian Fellowship, San Juan Capistrano, California

Our ladies group was thrilled to have Kathy speak at our retreat to kick-off our study of Kathy's Bible study "Before His Throne." Her passionate and solid Biblical teaching spurred us all to dig deeper into the Word. Our ladies Bible study doubled in size after hearing Kathy at the retreat. The study through Malachi opened our eyes to what it really means to fear God and the blessings that come from fearing Him accurately. Many of Kathy's teachings have come up again and again after the study. One of our favorite lines from the study is, "Fear God and nothing else!" We highly recommend this study for those who are serious about studying God's Word. You will be blessed.

Martha Buford, Women's Ministry Director, River Oaks Church, Texas

Kathy was the keynote speaker at our annual Women's Retreat. As we explored the holiness of God and the call to holiness in our lives as followers of Christ, I was challenged and convicted. Kathy is able to communicate biblical truths in a way that breaks through to the heart...and meets you right where you are. We were richly blessed by her time with us. Her love for the Lord and His word are apparent.
