

23 Days of Thanksgiving

We have reason to thank God every moment of every day of every month. But sometimes we simply forget. Will you join me in purposefully thanking God during the days leading up to Thanksgiving? Use this guide to prompt specific reasons to thank God for what He provides and how He works in your life and the world. The day's Scripture passage can be read before you pray or as part of your prayer. Pray quietly by yourself, with your family, or both!
