Share Your Faith Story with Your Family

Kathy Howard

Dear friend,

Both of my parents are with Jesus. Now that it's too late, I wish I knew more about their faith journey. I regret not having asked them more about their relationship with Jesus.

Don't leave your family wishing they knew more about your walk with Jesus. This little booklet is designed to help you record some of your faith highlights. The questions in the following few pages are just prompts. Feel free to expand, to share anything and everything you want your family to know.

The most valuable thing you can leave for your family is a legacy of faith. Telling your story is part of this legacy.

"We will not hide these truths from our children; we will tell the next generation about the glorious deeds of the Lord, about his power and his mighty wonders." Ps 78:4 NLT

Blessings,

Kathy Howard
