SOME TIPS TO HELP YOU GET THE MOST OUT OF YOUR BIBLE READING:

1. Establish a regular place and time – We are creatures of habit. If we know when and where we will meet with God daily we are much more likely to do it. Build it into your daily schedule. If this is new for you, start small, commit to it and God will grow it. Keep all your “tools” (Bible, journal, pen, etc.) together in your designated spot so you’ll always be prepared.

2. Start with prayer – Ask God to speak to you and help you understand His Word today. Thank Him for meeting with you.

3. Begin to read the Bible – Remember your purpose is to communicate with God. Expect God to speak to you through His Word. Don’t read hastily just to get through the passage. Let God stop you.

4. Meditate on the passage – Meditation is not emptying your mind. It is deep thinking on spiritual truths. As you read, linger over verses that impact you. Ask God questions and “listen” for His answers. The acronym PROBE is a good tool:

- **Pray** - How can I use this Scripture to pray for myself? Others?
- **Repent** - What sin or area of disobedience does this Scripture call to mind of which I need to repent?
- **Obey** - Does this Scripture point out decisions I need to make? Directions I need to follow? Commandments I need to obey?
- **Believe** - What does this Scripture teach about God’s character, nature, or ways? About the nature of man? The way of salvation?
- **Express** - In what ways does this Scripture prompt praise or thanksgiving?

5. Journal – Record what God says to you and how you will respond. Writing can help you stay focused on God and His voice.
